Dear guest

We would like to draw your attention to the following to ensure the best possible experience for everyone:

- **Changes to dishes** may result in additional waiting time – up to 45-60 minutes during busy periods. Special changes require extra time in the kitchen, and we want to avoid unnecessary waiting time for other guests.
- **Additions or changes** to dishes may incur an additional charge.
- During busy periods, **food may be served at different times**, as we strive to serve each dish when it tastes the best.

We hope for your understanding – and remember, you are always welcome to remove anything you do not want.

Kind regards
The Kitchen
